Astrocytes and disease: a neurodevelopmental perspective
Anna V. Molofsky, Robert Krencik, Erik M. Ullian, Hui-hsin Tsai, Benjamin Deneen, William D. Richardson, Ben A. Barres, and David H. Rowitch

In this article, Robert Krencik’s name was misspelled and Erik M. Ullian's middle initial was missing. The corrected list of the authors’ names appears above.

Genes & Development 26(12): fmiv

In the cover caption for the June 15, 2012, issue, the third sentence should read as noted below. This change is reflected in the online cover caption for the issue.

The $\beta_1$ integrin-positive melanoma cell surface is seen in the center of the image (large, red), with smaller shed microvesicles (red) around the cell.
