CORRIGENDUM

Genes & Development 32: 297–308 (2018)

Corrigendum: Transcription elongation rate affects nascent histone pre-mRNA folding and 3' end processing

Tassa Saldi, Nova Fong, and David L. Bentley

In the above-mentioned article, the affiliation originally provided was incomplete. The complete affiliation is as follows: Department of Biochemistry and Molecular Genetics, RNA Bioscience Initiative, University of Colorado School of Medicine, Aurora, Colorado 80045, USA. This has been corrected online.
